Litigation Limitation

Due to the nature of the therapeutic process and the fact that it often involves making a full disclosure with regard to many matters which may be of a confidential nature, it is agreed that should there be any legal proceedings (such as, but not limited to divorce and custody disputes, injuries, lawsuits) neither you nor your attorney, nor anyone else acting on your behalf will call on me to testify in court or at any other proceeding, nor will a disclosure of psychotherapy records be requested through release or subpoena.
